Other programs that Southampton Town sponsors are the HEAP Program, Senior Citizen Program, Domestic Violence Program, Criminal Justice Program, Assistance for applying to Social
Services and Social Security and Youth Services. Bridgehampton Child Care and Recreational
Program were at the top of their list for assistance, because they want to make sure that program keeps going.

B) Superintendent’s Report - Dr. Youngblood shared that at the Nov. 10th Superintendent’s
Conference Day, Ms. Rosenfeld presented the “No Child Left Behind” as it pertained to
Bridgehampton UFSD. Teachers were pleased with the presentation because she explained
specifics about our numbers (report card information). Teachers have taken interest in the in-
district training opportunities, specifically the reading first program training sessions. Finally Dr.
Youngblood shared that she was happy to announce that there are four Committees that is up and
running. They are the Wellness Committee, Building & Grounds Committee, District Safety
Committee and the Board Policy Review Committee.

C) Parent/Child Home Program Update – Jackie Poole and Nanette Stutterheim made a presentation
on the Parent/Child Home Program. They shared that they are proud to say that the program is
running well. Some of the goals for this program are to strengthen parenting skills of low to
moderate income families, increase school readiness (the coordinators spend time with each child)
and they also have a play period once a month for socialization for all Pre-K students as well as
outings. For future expectations, they are looking at sharing this program with Sag Harbor School
District. They are looking forward to distributing computers in the homes of some of the children
and begin using more technology strategies to assist with learning skills.

D) Report on NYSSBA Convention – Tamara George shared her some of her knowledge from the
Convention. She felt she walked away with a lot of information that could be use in the district.
One thing she thought was really important was the assistance we could get from NYSSBA with
our policy manual. Putting the manual itself on the web-site would be the best thing, she thought.

E) Principal’s Report – Mr. Pryor announced that the Student Council elections were held on
Election Day. The Bay Street Playwright Festival chooses a play that was written by Karess
Taylor-Hughes. Karess was also chosen as the recipient of the Daughters of the American
Revolution (DAR) Award. The “Go Home Drill” was very successful. This drill was an
emergency go home drill for practice in case students had to be released from school during an
emergency.
