Motion: Hiscock Seconded: Hemby Vote: 5-0

C) School Business Administrator’s Report

- Review of 2008-2009 Tax Levy letter issued to Town of Southampton
- Review of NYSIR Response letter and two issues to be addresses:
  - Revision and update of Sexual Harassment Policy
  - Revision and update of Application for School Building Use
- Report on OMNI Group 403b third party administrator signup and agreement. (We will require BOE Resolution on this issue)
- Request to increase Neide Valiera’s hours as Treasurer by 5 hours per week due to increased workload and other responsibilities. To analyze data that correlates directly to her duties and assist with records filing attendance issues that should not conflict with her role as Treasurer; to cross train her in other duties to be performed in the event of emergency and to assign her duties that I presently perform that do not conflict with control measures such as special reports, assignments and spreadsheets. She presently works 20 hours per week. This would bring her up to 25.
  - 5 hours per week X 48 weeks per year = 240 hours annually X $25.00 per hour = $6,000.00 per year + 9.1% taxes = $546.00=total of $6546.00 per year.
  - We can use the unused portion of money allocated to a part-time clerk @17.5 hours per week; wherein she usually works 12 hours per week, leaving a balance of 5.5 unused hours per week @ $21.36 per hour. This equates to 4.5 of Neide’s hours per week. The extra .5 hour can be found in code 1620.160 (Non-instructional salaries). The cost is estimated @ .5 hour per week X 48 weeks X $25.00 per hour = $600.00 + 9.1% taxes = $54.60 = $654.60 per year.
