Mr. Rodgers said he would assume the Board would put a proposition before the voters for the project this coming May. He said the window project window would begin around the fall after all the preliminary work gets done, such as the bidding process and State Education approval.

B) Presentation of Draft 2010-2011 Budget by George Chesterton – Dr. Chesterton presented the Board with a 1st draft of the 2010-2011 proposed budget report. He explained that the budget in the amount of $9,869,766 appears to be less than last year’s budget for several reasons; one is due to the district having five teachers (salaries) retiring due to an incentive the district offered. Dr. Chesterton said there will be a reduction in personnel costs and secondly the cost of retirement will be less. He said he is hoping to adopt the budget by early April to give the voters adequate time to review it.
