   b. Continued transparency in the development of a fiscally sound budget that adheres to requirements of the state cap processes, and delivers to the community a budget that is sustainable over time.
   c. Assuring that transportation remains under review, particularly as we move forward within this era of the property tax cap.

3. School Facilities: The district is extremely proud of the community and its support of the school over time. A five year plan has been developed to assure the upkeep of the facilities and ground of the Bridgehampton UFSD. We have looked to maximize space, update classrooms with
technology, and maintain the facilities in a way that makes the community proud of its school. For the 2011-2012 school year the Board of Education remains committed to:

a. Attention to the 5-year plans for building and grounds, and technology.
