III. REPORTS

   A) Superintendent/Principal's Report

   Dr. Favre stated that October has been an extremely busy month. Our Teachers, K-12, have been attending Common Core training in Math, organized by Ms. Aleta Parker, which is going very well. The hope is that those having attended these training sessions will add to our discussions and planning for more Common Core implementation at our Superintendent's Conference Day on Tuesday, November 5, 2013.

   Student learning objectives have been completed for this school year and benchmarks have been established for all but the Regents courses, as we will be meeting as a team to use a Projection Tool, that sets targets based on prior test scores. This will cut down on over-testing our students.

   Observations are well underway. Most teachers have been scheduled for their first observation of the school year.

   Dr. Favre advised that she had attended Evaluator Recertification course as is required as a principal for evaluating teachers.
On Friday, November 1, a wonderful Halloween Party for secondary school students was held in the gymnasium, complete with wonderful decorations and a festive atmosphere under the direction of Lindsey Sanchez who did a terrific job. It was a wonderful event and the students were exceptionally well-behaved.

On Thursday, October 31, the Halloween Parade through Main Street will be held for the K-5 students who are looking forward to it.

Dr. Favre discussed the need for some additional community/parent committee members. It was agreed that we would create a letter of invitation and distribute it on the Bridgehampton UFSD Facebook page as well as other locations to see what the response will be.

The suggestion of moving the November Board Meeting from Wednesday, November 13th to Wednesday, November 20th was suggested and everyone was in agreement that this would be fine. It was determined that the Audit and Budget Committee meetings would remain on the 13th.

The Yearbook will be running a district-wide fundraiser beginning Friday, November 1 and running for two weeks.

B) School Business Administrator Report

Financial – Mr. Hauser reported that on 9/24/13 we completed TAN (Tax Anticipation Note) borrowing of $3,300,000 at .40% due 6/30/14 from Bridgehampton National Bank (low bidder).

Facilities & Grounds: Mr. Hauser provided an update on new door access control system; reported on building classroom/office window identification labels status; the status of the Main Building new vestibule doors; advised of the need of gym floor to be repaired; that Smartboards have been installed in Pre-K as well as the PPS Reading classroom. Mr. Hauser discussed the need for a possible replacement of the Playground base; some options concerning the underground oil storage tank. Mr. Hauser also discussed the Architect’s Five Year Plan prioritizing items for new Five Year Capital Reserve, and the Green Buildings/Homes Tax Exemption for construction of LEED (Leadership in Energy and Environmental Design).
