V. REPORTS

A) Superintendent/Principal’s Report:

- Grades 7, 8 and 9 attended the Bay Street Theater presentation of Anne Frank today – which aligns with their curriculum
- Next week we host our annual Joyce Manigo Thanksgiving feast – Ms. Parker, with help from the PTO, is coordinating events
  - It is also the day we practice our go home early drill – this year, following the luncheon, we will dismiss from the community center – as by regulation, we are supposed to evacuate and not return for this drill.
  - I will do a Rapid Notify next week – notices as in your folders, have already been sent home
- I attended two professional development opportunities in recent weeks regarding the change needed in schools, Ray McNulty – former commissioner of Vermont Ed. Dept., and the implementation of the new Common Core – the pitfalls, with Diane Ravitch – I will share my notes with the board – it was validating to hear them speak, confirming that we are on the right path here at Bridgehampton – keeping our focus on our students
- Pierson Bridgehampton took the state championship in Field Hockey last week in Syracuse, and I was extremely excited to be at both games. Our own India Hemby played superbly, as did her teammates from Sag Harbor – the game was well attended by the Sag Harbor and Bridgehampton communities and it was a delight to see them win.
- We have been speaking about the importance of keeping up with career academy – particularly with the focus on college and career readiness, and academically I believe it would be good for students. Rick Delano shared a program with me that is going on in Nashville. I would like to go and visit it… I would be willing to pay for my flights, if the district would approve the conference. I need to decide soon as the event fills up quickly – any objections to my attending if there are conference monies to support it?
- Basketball practice for the season begins today for the high school team – younger students have already begun to practice
- The PBIS Team presented at a regional conference last month, as I reported to the board. They received rave reviews, and have now been asked to present at the Northeast PBIS Network Regional Forum in May- representing Long Island. I believe it is in Connecticut and will have more information shortly.
- I will be attending state superintendent meetings in Albany on Thursday and Friday – the admin team is aware and will cover all that is going on in the building.
- Dr. Carrie McDermott’s Virtual Enterprise Class – asked me to have Board Members virtually purchase tee shirts during their Black Friday Sale. Virtual checks were given out and collected to be return to Dr. McDermott.

B) School Business Administrator Report
• Discussed Five Year Plan Capital Reserve resolution which sets a public vote on January 14, 2014 to appropriate funds from the reserve. If approved, the funds will be expended on projects identified in the Architect’s Five Year Plan.
• Discussed the recent Budget Advisory Committee (BAC) meeting and advised the BOE of the current tax levy cap projection of 1.54%.
• Discussed the recent Facilities & Grounds Committee meeting. In particular, the installation of the new vestibule door and security system, the new door access control system, gym floor repair, and classroom and office window identification labels.
