III. REPORTS
   A) Superintendent/Principal’s Report

Open houses were well received by parents who attended, and as usual, those who attended are
the students who always seem to do the right thing!

From the elementary meeting came a request for a survey about clubs that students may be
interested in attending – I’ve put together that survey and it will be circulated to grades K-5 for a
return by October 9th.

I attended the New York Council of School Superintendent’s conference in Saratoga, this
weekend, through Tuesday morning. There were some interesting sessions, but ultimately
nothing new.

I met with the BTA in negotiations around the new Annual Professional Performance Review
required by the state due to new changes in the law. We continue to negotiate to reach
agreement, but do not anticipate being able to do so before the Nov. 1 deadline – as the state
hasn’t even provided the assessment options so far. We anticipate submitting a hardship waiver
prior to November 1st to extend our deadline.

We have completed the NYS template for Safe Schools which is required to be submitted by
tomorrow. It is ultimately the same as our previously approved plan (which the board approved in
13/14) and which we review annually. I just cut and pasted most of our information into their plan.
Once approved tonight, I will also mail it to local authorities as required.
Through the safety committee we need to identify the location of AEDs on the floor plan, which I’ll bring to the next meeting, or request the architect assist with adding them to the plans.

September has been a busy month – but we are off and running- continuing to look for space – which is at a premium- particularly for science labs and computer labs.
