Re: H2M architects + engineers 2017 STEM Scholarship Awards Program

Dear Sir or Madam,

This year H2M will be awarding six \$1,000 scholarships to various school districts in the metro tri-state region. We encourage all graduating senior interested in pursuing an education in a STEM program that will be graduating in June and who plans to enter a career in architecture, engineering, planning, land surveying, landscape architect or environmental science to apply.

The deadline for entries: March 31, 2017.

The application requires all of the following information be submitted by the March 31, 2017 deadline:

- ✓ Completed Application Form (attached)
- ✓ Official High School transcript
- ✓ Personal essay (300-400 words) written by the student, describing his/her career goals.
- ✓ Two (2) recommendations from teachers and/or guidance counselors or leader in the community
- ✓ Additional information that shows the student's interest in problems and issues related to these professions through job experience, volunteer work, high school course work, special projects, etc.
- ✓ All applications must be submitted to H2M by *March 31, 2017*

Submit your entry to:

Anne Davis, Scholarship Coordinator
H2M architects + engineers
538 Broad Hollow Road, 4th Floor East Melville, NY 11747

H2M will review the scholarship applications and select the recipients by May 1, 2017. Award notification will take place by, *May 15, 2017*. Please note that family members of H2M employees are not eligible. If you have any questions, please contact us at 631.756.8000 ext. 1005.

Sincerely,

Elizabeth Uzzo, SPHR
Vice President of Human Resources

H2M architects + engineers STEM Scholarship Scholarship Application

The H2M architects + engineers STEM Scholarship is awarded on the basis of merit and character to a graduating senior who is planning to attend college and enroll in a science, technology, engineering or math (STEM) degree program, which includes but not limited to science, environmental engineering, architecture, planning, landscape architecture, and land surveying. H2M is a 350+ person architecture and engineering

eligibility + selection criteria

- Applicant must be a high school senior planning to enroll in a science, technology, engineering or math (STEM) course of study in the fall.
- Applicant must be accepted to an accredited college or university in a STEM degree program.
- Applicant must not be an employee or family member of a current H2M architects + engineers employee.
- Academic achievement is a significant factor in the selection process; however, there are no minimum requirements in order to apply.

application process + deadline

- Complete application form attached to this application.
- Submit a brief essay describing your future plans and why you are deserving of this scholarship. Tell us something unique about yourself.
- Two (2) recommendations from teachers and/or guidance counselor or leader in the community.
- Submit your application to your counselor by March 15, 2017. Please submit to H2M by March 31, 2017.

scholarship amount

- Six \$1,000 scholarships, to be awarded during a ceremony at H2M's Melville headquarters at the conclusion of the recipient's senior year.

about H2M architects + engineers

H2M is a multi-disciplined professional consulting and design firm, proud of our long history of client service and our consistent ability to meet tough architectural, engineering, and environmental challenges head-on. Since 1933, H2M has helped design and build many of our communities: from water treatment facilities to school facilities, from land surveying to road reconstruction, from site assessment to remediation.
