The Strategic Planning Council met to set the course for the 2012-2012 school year. Responsibilities of the Internal Coordinators were discussed. Dates of action plan meetings for the four goal areas were submitted by internal coordinators, and they will work to bring in members to the action planning teams.

Objectives for each of the 7-year action goals were proposed for each of the action plan areas of focus: Communication; College and Career Readiness; Facilities, and Communication as approved by the Board of Education in the District Strategic Plan, delineated through the Middle States Process. These will be brought to the Board of Education for approval on September 26th.

Action Plan Teams will report out to the Strategic Planning Council regarding their monthly meetings. Dr. Favre will report to the board on the progress of the Action teams.

Respectfully submitted:
Dr. Lois Favre
