

## Student Performance Goal 1

### Committee's Goals for the 2013-2014 School Year

1. Conduct interest inventories in grades 6-12.
2. Continue to expand our relationships with local businesses and with those in-house to provide opportunities for transition.
3. Work with local colleges to integrate new programs and opportunities for secondary students.
4. Annual review of curriculum and course offerings to assist Dr. Favre in planning for curriculum work.
