Minutes: Brief summary of meeting

Summary: We talked about finalizing a detailed plan that outlines 2 proposed gym expansions. We are culling through the options and will be completed by Christmas break, which in time we would like to get architects to render a few drawings by the next SPC meeting on February 11th. Patrick talked about the difficulties of getting students to participate in taking photos for the multi-media presentation, so he is going to proceed on his own and take the required photos. Multi-Media presentation will be complete by the next SPC meeting on Feb. 11th.
