New Business:

Angel said she would look into finding ways to publicize our fundraising events and other events as well. She will try to make contacts at the local papers as well as look into WLNG. Suggestions were made to put big signs in front of the school to publicize upcoming events. As well, we thought we would try to include on building use forms a request to put our events on the announcement board in front of the school.

Karen and Mel announced that the PTO now has insurance.

David Holmes said he would try to rally some more teacher support for the PTO. Our parent base is growing nicely, however, the teacher portion has dropped. He will also try to help coordinate with the distribution of flyers.

Nicki requested that the winners of the Cora Weiss Scholarship could each send a letter of thank you and description of their trips to Cora as she had hope to get them.

Nicki also would like to put on an afternoon Christmas Movie for the younger grades. She is working with Jack Pryor to figure out a date.

Meeting adjourned at 6:20 Next Meeting December 1, 2009 at 5:00
