1. Discussion of computer sales from BOE to the PTO in the amount of \$158.00 for 104 computers. PTO has agreed to make the purchase from the BOE and offer 1 computer to every family of Bridgehampton School. The PTO asks in return for a \$20.00 donation in return from families who find it feasible. No one will be turned away. A letter will be going out in book bags with a cut off amount of 75 computers on a first come first serve basis. Not all computers will come with speakers. Donation will be expected upon pick up of computer when family is notified.
2. Cathy Bloom has made contact with Nicki on the Wellness Committees behalf and requested the committee make a presentation at the next open meeting. All agreed.
3. Joyce Manigo has forwarded schools contact information to Nicki regarding company last used for T-shirt printing. We are looking into purchasing Sweatshirts and such for sale to public with school name.
4. Cork Board- voted on the purchase of a 3x2 bulletin board to go on the outside wall of the Teachers Room. All voted on board priced in or around \$40.00. Received approval from Jack Pryor for placement. Vote on price all in favor.
5. Cabinet-voted on the purchase of a full size storage cabinet to store misc. PTO items and or paper work. Estimated no more than \$300.00. Received approval from Jack Pryor for placement. Vote on price all in favor.
6. Briefly discussed a Spring Fundraiser. The idea of a weekend Plant Sale was an option, as well as renting table space for craft sales by private people. Maybe the two together. The ideal traffic situation discussed and would be a huge benefit for us.
7. Checking account currently at 2351.91
